

Notice for Customers using CSi FM radio

CABLE SERVICES

To make room for additional Internet and Digital services on our network, CSi will discontinue retransmitting FM radio signals found in the 88 - 108 band as of Nov 30, 2011. Any billing for FM radio service will stop as of Nov 1, 2011.

Any FM radio currently connected to CSi Cable will need to be connected to an outside antenna by the end of Nov. Digital Cable Service from CSi - coming soon - will include a large selection of commercial free digital music channels choices.
